We find unfathomable mercy and everlasting love in the wounds of Christ — even when we are skeptical, even when we carry doubt. God meets us there in the confusion. He reaches for our hand and places them at his side. We just have to call his name.

*Where did the feast of Divine Mercy come from?*

If you were born well before the year 2000, you know the feast of Divine Mercy has not always been celebrated in the Church. In the early 1900s, a young Polish nun began receiving private revelations. Jesus appeared to her during her times of prayer, speaking a message of mercy and love for the world. She received a set of prayers — the Divine Mercy Chaplet — and the request to have a feast day established to remind the Church of the mercy of God. St. Faustina died in 1938, on the cusp of war and in the midst of one of the most violent centuries in the history of the world.

Her story and her diaries began circulating in Poland and beyond. It quickly became apparent that this was a holy young woman, and the cause for her canonization opened. In the year 2000, she was canonized by the first-ever Polish pope, St. John Paul II. On her canonization day, he established the second Sunday of Easter as Divine Mercy Sunday, “a perennial invitation to the Christian world to face, with confidence in divine benevolence, the difficulties and trials that mankind with experience in the years to come.”
